

Computer Associates®

eTrust™ Anti-Spam

System Requirements & Installation

System Requirements:

Microsoft Windows 98/Me/2000/XP
Microsoft Outlook 2000/2002/2003 -or-
Microsoft Outlook Express 5.5/6.0 or later
One or more POP3 or MAPI email accounts
2 MB hard disk space available

Installation Instructions:

1. Close all other Windows programs before starting the install, as they may interfere with the installation process. If you already have another anti-spam product installed on your PC, you should disable the program(s) before installing eTrust Anti-Spam.
